LocalLevel
— events.com —

Local Level is a one-stop solution for online ticketing, sales and event registration for schools. It gives you all the tools you need to plan and execute a successful school event, from collecting custom information to moving toward a cashless system. Set up your school events for success by making your registration and tracking accessible and efficient.

Key Capabilities:

Efficient

- Collects payments online
- Complementary access to expert event consultants saves you time and money
- Organizes attendance and payment data
- Easily collect customized data from users
- Real-time, detailed sales reports are available instantly
- Schedule automated summary reports
- Download all collected data to Excel for flexible filtering and sorting

Powerful

- Moves your school toward a cashless system with online payment and data collection services
- Utilizes unique QR codes to scan tickets and track attendance
- Records and tracks cash, check, and credit card payments
- Offer per-event discounts and promotions
- Automatically e-mail customized tickets and confirmations
- Point of sale screen allows organizations to quickly process payments in-person
- Send a linked email invitation to an imported email list to promote an event
- Users can upload a document as part of registration

Flexible

- Versatile platforms for all events: athletic events, dances, plays, camps, or fundraisers
- Can be used for donations or merchandise sales in addition to school events
- Customizable text, images, form questions, and ticket pricing to fit any school's needs
- Option to designate reserved seating on each ticket
- Variable ticket pricing structure can be used for fundraising or donation-based events
- Display a customized image on each ticket

Advantages for Your District:

Easy to Use

- User-friendly, easy-to-navigate platform
- 24-hour access to event reporting
- Users can create an account to save orders or check out as a guest
- Maximum limits can be set for each ticket option to avoid overselling
- Send event updates to attendees via email

Affordable

- No setup fees, no hardware purchase
- Transparent product fees
- One versatile tool means you don't have to purchase multiple subscriptions or software programs

Secure

- Accept payments with absolute peace of mind
- Increase security with the device-based QR code scanning function
- Control who registers with private access codes
- Permissions-based administrative access system
- Receive email alerts when new events are created
