### Dance Permission Slip

Guests who are not students at Liberty High School are permitted to attend LHS dances. Only one guest per LHS student is allowed. In order for the visitor to attend a dance at LHS they must agree to the following:

- Follow all of the Liberty High School code of conduct expectations. (It is the responsibility of your hosting student to make you aware of those expectations.)
- Arrive at the dance with the LHS student. You may not arrive separately. You must also leave with the LHS student.
- Arrive at the dance in appropriate attire (for homecoming dances, attire is semi-formal; for prom, the attire is formal; all other dances are casual).
- Display appropriate behavior while at the dance and while on school property.
- Complete and turn in this permission slip and ***the Liberty Dance code of conduct*** on the reverse side ***prior to purchasing tickets to the dance.***

I understand and agree to abide with the above stipulations in order to be admitted as a guest at Liberty High School.
