

Stripes and Strokes

Team Time 2025-2026

Parents and/or Guardians,

I am thrilled to have the opportunity to work with your child in our first official year of Stripes and Strokes! Your student will be learning how to write and paint in a variety of fonts, which is a hobby that I am passionate about. Our goal will be to not only improve and enhance penmanship, but also provide decor to brighten our environment here at BIS. I will keep you updated on our projects and how students (and you) can be involved in this exciting creative opportunity!

There will be a \$15 fee for the club because we will be needing various types of supplies, such as: paint (acrylic and markers), canvas materials, cardstock, brush markers, folders, and paper. The Local Level Events link will be pushed out to you shortly.

Please contact me at abby.english@bossierschools.org with any questions or concerns. Please sign your name and email to the lines below.
