## Fostering a Restorative School Culture & Climate

Join us at the ESC of Lake Erie West for this two part series, as we share restorative practice strategies and techniques designed to create and support a positive school community.

## Restorative Practices in the Classroom Tuesday, November 18, 2025 3:45 pm - 5:15 pm

In this session, educators will gain knowledge on research-based strategies to create and support a positive school environment for their students.

Restorative practice questioning, community circles, and engaging activities will be shared, designed to foster a sense of belonging and encourage positive relationship building.

Restorative Practices to Support Student Behavior Wednesday, November 19, 2025 3:45 pm - 5:15 pm

In this session, educators will learn research-based strategies which teach appropriate conflict management skills, promote a positive change in student behavior, reinforce accountability, and encourage students to take ownership in their school community. Discussed strategies are applicable to the classroom and overall school environment.
