Creating Class Videos in Canva

*Bring your classroom
to life — one video
at a time!*

Discover how Canva can do more than just posters and presentations. In this hands-on Zoom session, you'll learn how to create engaging videos for classroom announcements, student projects, and more —no editing experience required!

What You'll Learn:

- How to record and edit videos directly in Canva
- Tips for using Canva's built-in video and music library
- Creative ideas for student-led video projects
- Ways to enhance communication and storytelling in your classroom

***Join us and empower your
students to become
creators, not just
consumers. Let's make
learning visual, dynamic,
and unforgettable!***
