PBIS TFI 3.0

Join us for a 60 minute, virtual session,
designed to explore the **new PBIS TFI 3.0**.

Learn how this tool directly aligns with the
iMTSS framework and guides schools to ensure
their PBIS programming is implemented with
validity, reliability, and efficiency to positively
support their school community.

New Key Topic Areas Include:

- Focused classroom
implementation
- Restorative practices
- Student & family voice
- Integration of SEL
programming &
standards
- School & student safety
planning
- Whole child mindset
