Executive Functioning Skills:

Crafting Students into Independent Learners

The Educational Service Center of Lake Erie West is proud to welcome back Todd Stanley, widely recognized as "The Gifted Guy." Todd is a dedicated educator, author, and speaker specializing in gifted education. With nearly three decades of experience, he has significantly influenced the field through his innovative teaching methods and extensive publications.

This session will focus on:

- Explicitly teaching our students the skills to be independent learners.
- Providing students with lessons on creating action plans.
- Teaching students how to manage their time.
- Guiding students through the process of how to organize their work.
- Giving students instruction and practice on other executive functioning skills.
