Threat Assessment and Crisis Prevention

Comprehensive School Threat Assessment Guidelines (CSTAG) - Level 1, Level 2 & Level 3 Trainings

In order to be compliant with HB 123, schools and district threat assessment teams must complete a 3 year threat assessment refresher training.

Join us at the ESC of Lake Erie West as we offer CSTAG Threat Assessment Level 3 refresher trainings for *established* threat assessment team members.

CSTAG Threat Assessment Level 1 & Level 2 training for *new* threat assessment team members are also being offered.

CSTAG Threat Assessment Trainings are offered at No Cost during the 2025/2026 school year
