Environmental Education Spring Resource Fair

Are you looking for opportunities to enhance your curriculum with environmental education activities? Would it be helpful to connect with local agencies that can offer valuable programming and classroom resources? Join the Environmental Education Resource Fair on March 3rd at the ESC of Lake Erie West to learn more!

You will have the opportunity to network with representatives from several local environmental education agencies, learn about the University of Toledo GLOBE Center, and engage in hands-on activities you can bring to your students.

This event is hosted in partnership with the Lucas Soil & Water Conservation District and the Lucas County Environmental Education Committee.
