### Looking to refresh your practice and re-energize your classroom?

No matter where you are in your teaching journey, **Practical Tools for Powerful Teaching** will equip you with effective and adaptable strategies to enhance student learning. Designed for teachers of all grade levels and content areas, this session highlights evidence-based instructional techniques - like *anticipation guides, Frayer Models, and effective questioning*. All of the shared strategies are designed to increase motivation, encourage active participation, and create dynamic learning environments. Participants will gain practical tools that make powerful teaching both manageable and sustainable.

**2.0 Contact Hours**  
***Must attend both sessions***
