SEL That Sticks

Putting Together Sustainable Social & Emotional Learning Programming and Supports

Social & Emotional Learning (SEL) is not just a weekly classroom lesson, but an everyday experience taking place within our schools to positively support our staff, students, families, and overall school community.

Join us as we discuss the essential pieces of a high-quality foundational SEL program, designed to create a cohesive approach which is efficient and effective . . . in the hopes of staying away from program overload.

Key topics include:

- Choosing the right SEL curriculum & programs
- Creating high impact instructional practices
- Building sustainability
- Measuring success
- Providing continual leadership & guidance
