PBIS 101: Back to Basics

Whether you are a newly hired educator or are just in need of a basic refresher around PBIS . . . this session is for you!

Join us as we discuss the “why” behind this evidence-based and research-based program, as well as, how to effectively teach and support PBIS practices within your classroom, building, and district.

Key components of the training include:

- Setting clear and consistent behavior expectations
- Establishing systems to preventatively and positively support student behaviors
- Implementing consistent and instructional proactive discipline practices
