Los Paloma Sporting Range

20 STATION COURSE
POST TOURNAMENT LUNCH
AIR CONDITIONING

Dear Family & Friends,

We are excited to welcome you to the 16th annual Bull Buteau Foundation Sporting Clay Shoot. Established in 2010, The Bull Buteau Foundation continues to exceed expectations in pursuing its mission to support local charities! This is because of people like you. The Foundation supports many local charities. Our primary partner is The Louisiana Methodist Children's Home in Ruston, Louisiana. The John H. Allen Vocational and Career Center on the LMCH campus offers youth opportunities to receive cutting-edge training in four areas of concentration: barbering, carpentry, welding, and HISET (High School Equivalency Diploma). Our Foundation established The "Bull Buteau Vo Tech Scholarship Fund" to assist youths attending these programs in 2010. To date, The Bull Buteau Vo Tech Scholarship Fund has grown to an amazing **\$700,000!** These funds have helped provide avenues for future, attainable employment to youths who otherwise had little opportunity. The Vo Tech Program specifically focuses on helping students earn a high school equivalency diploma (HiSET), carpentry skills, welding certification, barbering license, etc. Your support for the Bull Buteau Foundation is an investment in the continuous growth and future of these youths!
