- October 22, 2026
- October 23, 2026
- April 22, 2027
- April 23, 2027

ESCLEW is hosting a professional learning series offered by HCESC Math Consultants designed to empower all educators and related providers in schools with a deep understanding of the foundations of early numeracy in order to foster mathematical success for every student. The emphasis will be on the understanding needed to master essential skills in early numeracy, such as counting, place value, addition, subtraction, and mathematical fluency.

4-Day PD Cost:

ESCLEW Curriculum Aligned
District \$350 per person

Non-ESCLEW Curriculum
Aligned District \$650 per
person
