

Stripes and Strokes

Team Time 2026-2027

Parents and/or Guardians,

We are thrilled to have the opportunity to work with your child in our second year of Stripes and Strokes! Your student will be learning how to write and paint in a variety of fonts, which is a hobby that we are passionate about.

Our goal will be to not only improve and enhance penmanship, but also provide decor to brighten our environment here at BIS. I will keep you updated on our projects and how students (and you) can be involved in this exciting creative opportunity!

There will be a \$15 fee for the club because we will be needing various types of supplies, such as: paint (acrylic and markers), canvas materials, cardstock, brush markers, folders, and paper. The Local Level Events link and QR code is on the back of this paper. Please have the fee paid by **Tuesday, September 8th.**

You can contact us at abby.english@bossierschools.org or erika.livers@bossierschools.org with any questions or concerns. Please sign your name and the best way to contact you on the lines below.
