

Dear BIS Parents and Guardians,

I am excited to announce the launch of our new BIS Guitar Club for this year! It's time to get the club up and running and make music together.

Guitar Club is a fun, creative opportunity for BIS students of any grade to meet during Team Time to learn and practice basic guitar skills, play music together, and build confidence.

Students will use BIS guitars at school, but the guitars will not be available to take home. Having access to a guitar at home for additional practice is helpful, but it is not required.

No prior guitar experience is necessary—beginners are welcome! Students will learn skills such as:

- Simple chords
- Basic strumming patterns
- Note reading
- Playing music together
- And more!

The fee for this club is \$20, which pays for our professional instructor and materials (picks, strings, etc.)

Whether you're picking up a guitar for the first time or already know a few chords, Guitar Club is a great place to learn, practice, and have fun making music with others.

Looking forward to working with your student!

Lea Jones
