

Dear Parents,

We are thrilled to welcome your child to our **Pickleball Team** this season! We are looking forward to an exciting season filled with skill development, teamwork, fun, and plenty of time on the court. Please review the important information below so we can make this experience as successful and enjoyable as possible for everyone.

Team Fee

A **\$35 fee per semester** will be collected to help cover the cost of location and professional pickleball lessons. This is will be due no later than **Tuesday, September 8th!**

Location

Our team will travel by bus to **The Picklr at the Boardwalk** (240 Boardwalk Blvd Bldg H, Bossier City, LA 71111)

. We are especially excited about this opportunity for our students to receive professional pickleball instruction and experience the energy and atmosphere of this exciting new facility!

Pick-Up Information

One of the exciting benefits of this team is that students will have the opportunity to **leave campus and participate at The Picklr.**

- Parents must pick up their child from The Picklr **no later than 2:45 p.m.**
- Students may have the opportunity for additional free play until approximately **3:30 p.m.**; however, after the 2:45 p.m. pick-up time, this time will be **under parent supervision.**
- Each student will be allowed **two late pick-ups per semester.**

We greatly appreciate everyone's help in being prompt with pick-up so that we can continue providing this opportunity for our students.

Optional Team T-Shirt

Students will also have the option to purchase a **team T-shirt for an additional \$20**. This is a fun way for our players to show their team spirit and represent our pickleball team! This form will be sent home in two weeks!

Alternative Options

If you feel that pickleball may not be the right fit for your child, we have several other teams and programs available. Please feel free to reach out to us if you would like more information about alternative opportunities.

We are so excited about the season ahead and can't wait to see our students grow their skills, build friendships, and have a fantastic time playing pickleball together!

Thank you for your continued support and for helping us make this opportunity possible for our students.

Go Pickleball!
