

Dear Parents/Guardians,

We are excited to announce that your child will be joining the BIS Lacrosse Team Time this season! To ensure a successful and enjoyable experience, we would like to share a few important details with you.

Team Fee: A \$10 fee will be collected to help offset equipment costs. This will help provide high-quality instruction and maintain the necessary gear for the team.

Optional T-shirt: Lacrosse Team Time shirts can be purchased through the Benton Lacrosse Club online store. These shirts can be worn during the school year. More details will be provided once that store opens.

Lacrosse sticks: Sticks will be provided for students. However, if your student already has a lacrosse stick and would like to bring it for Team Time, they can leave the stick in Mr. Valentine's office until Team Time. No other equipment will be needed.

Lacrosse Team Time Details. Our club will be coached by Mr. Valentine (BIS Assistant Principal) and Mr. Morgan (BIS 5TH/6TH ELA Teacher). Both Mr. Valentine and Mr. Morgan have experience with lacrosse through their respective sons who played the sport. Additionally, if your student enjoys lacrosse, he or she will have the opportunity to join the Red River Lacrosse Club and play on a competitive team.

We look forward to a fantastic team of lacrosse players and appreciate your support!

Mr. Valentine & Mr. Morgan
