

Nevis School Age Child Care Program

Registration Form

Return completed form to the Nevis Community Education Office before the use of this program.

Dear Parent or Guardian:

Nevis Community Education will again be offering before and after school care at the Nevis School for Pre-K to Grade 6 students. The program will operate in the Nevis School, utilizing the cafeteria and computer lab as primary locations, gymnasiums and the playground area as conditions and use allow. This program is offered to your family full time, part time, or on a drop in basis as best serves your needs.

Students of all ages are not allowed in the building outside of school hours unless they are involved in a supervised school activity. SAC is a service to aid families that need to bring students earlier than the start of the day, or want supervised care after the school day. SAC provides a safe, fun environment for Nevis students.

HOURS: Monday – Friday 7:00 a.m. – 8:05 a.m. & 3:15 p.m. – 5:30 p.m.

- USE DOOR 9 (Back of school by playground area and new band & choir rooms)
- HOURLY RATE: \$3.00 per hour
- MORNING DROP-OFF & EVENING PICK-UP site is in the cafeteria. If the children are in another area a sign will be posted with alternate location. All children need to be sign out by an adult.

PLEASE MAKE NOTE: Advance registration is important and extremely helpful for staffing and hours. Our staff will not be here until the first child is scheduled to arrive. Likewise, if all children have been picked up, then staff will be sent home. This enables us to keep our expenses down in order to stay viable for your childcare needs. Thank you!

SNACKS: Children receive an after school snack prepared by cafeteria staff each day. Options vary but include a milk or juice each night along with a snack that meets federal lunch program guidelines. There is no additional charge for the snack program. **If your child(ren) have any allergies or sensitivities, make sure that this is noted on this registration form and ensure an emergency plan is in case of exposure.**
