ABOUT US
AAA ACADEMY IS AN
AFFILIATE OF THE
REDLANDS
EDUCATIONAL
PARTNERSHIP.

OUR WORK WAS FUNDED BY
A GENEROUS TWO-YEAR
START-UP DONATION BY
LARRY (RHS ALUM) AND
KRISTINA DODGE.

WELCOME

Congratulations on taking a
step forward in your
education!

Our High School Summer
School Program will be
offering courses for credit at
Redlands High School this
summer. Online registration
will begin March 15 on our
website:

www.aaa-academy.com

1st Semester begins

June 12

2nd Semester begins

July 1

BEFORE

YOU EMBARK

REGISTRATION AND TUITION FEES: Registration is \$30.00 per semester. This fee is non-refundable. Courses are \$220.00 per semester. Need based Scholarships are available as well as Family Discounts. Please see page 4 for more information.

PACE & RIGOR: Summer School is an accelerated pace design. You are learning in 13 days what would have taken a full semester during the regular school year. The benefit is that you are taking just one course and can focus your attention to the material in that subject. However, being successful in an accelerated pace class requires your commitment to completing assignments and preparing for assessments in a timely manner. Be prepared to devote a significant amount of time both in and out of class. If you find it difficult to work at this pace, you may want to rethink taking a Summer School course. Please consider speaking with your family and your school counselor if you are unsure, and before registering.

ATTENDANCE POLICY: Because Summer School is compressed into an extremely short time frame, attendance is strictly observed. In order to satisfy the requirements to earn credit for the class, students must be present and on time each day. Teachers record attendance for each hour of class. Each tardy is equivalent to one hour unexcused absence. **Students who have missed more than 7 hours per semester will be dropped.** There are **no excused absences** in summer school—illness and medical appointments are considered unexcused. Please plan appointments for times outside of class. Students who are not present on the first day of class will be dropped.
